END OF SALE

TERMS & CONDITIONS

1. This is a public auction sale conducted by Jain Auction House, a licensed Auctioneer, issued by the Archaeology Survey of India, (hereinafter referred to as "Auctioneer"). Bidding in this Auction constitutes acceptance by you (the "Bidder") of all the Terms and conditions stated herein and shall be bound by them. Bidders may include consignors whom may bid and purchase lots in the Auction consigned by the consignor or by other consignors. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer. Only Indian residents/NRIs having valid address in India can bid in our Auctions.
2. Lots may carry a Reserve. A Reserve is a confidential price or bid below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor.
3. All lots are guaranteed genuine. Any claim of lack of authenticity must be made in writing by the original purchaser immediately after discovery that an item is not authentic, and upon making such a claim Jain Auction House shall, in its sole and absolute discretion, reserve the right to consult and rely upon any expert(s) or authority considered by him reliable in establishing the authenticity of that lot. If the lot is then proved not authentic then the original purchaser must immediately return the lot to Jain Auction House in the same condition as at the time of the auction with the original Invoice and payment proof. Lots that have been encapsulated ("slabbed")/Graded by a grading and/or authentication service may not be returned for any reason, including authenticity, if they have been removed from the encapsulation ("slab")/Grading.
4. Lots are sold as shown with all faults, imperfections and errors of description. Attribution, date, condition, and other descriptions are the opinion of the cataloguer, and no warranty is expressed or implied. Neither the auctioneer nor the seller shall give warranty to any buyer in respect of any lot, or be liable for any fault or error of description. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise are statements of opinion only, and are not and shall not be taken to be statements or representations of fact. The auctioneer reserves the right in forming his opinion, to consult and rely upon any expert or authority considered by him reliable. Notwithstanding the forgoing, if any lot should have been wrongly described in any material aspect, the buyer may reject the same, provided that he shall have given notice of intention to do so and shall have returned the same to the auctioneer within seven (7) days from the day of the Auction, Under no circumstances will the auctioneer be liable for any costs, expenses or damages incurred by the buyer in respect of any lot, including, but not limited to, loss of any kind of profit whatsoever. Estimates are intended as a guide only and not as a statement of opinion of value. Bidders are advised to scrutinize the lots they bid for.
5. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor, a Bidder by mail, telephone, internet, or any other participant in the Auction. Bids must be for an entire lot and each lot constitutes a separate sale. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. Auctioneer shall have the right in his or her sole and absolute discretion to accept or decline any bid, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot for Auction again. Auctioneer's decision on all bidding disputes shall be binding and final.
6. No "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid. Bids will not be accepted from persons under eighteen (18) years of age. The estimate figure below each lot are the auctioneer's estimate of an expected price only, bids which are less than the lower estimate will not be considered by the auctioneer.
7. Your bids will be treated as your maximum bid. Jain Auction House is not responsible for any errors in bidding. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the lot is announced sold, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake.
